## AFFIDAVIT OF LARRY C. MARCHANT, JR.

Personally appeared before me, Larry C. Marchant, Jr., who, first being duly sworn, says:

- 1. My name is Larry C. Marchant, Jr. and I am a citizen and resident of the State of South Carolina, County of Richland.
- 2. Conservatives for Truth in Politics has asked me to provide a sworn statement regarding my previous allegations of having sexual intercourse with Rep. Nikki Haley. Based upon this organization's request, I will address this topic but it will be the last time I do so.
- 3. Rep. Nikki Haley and I were in Salt Lake City attending a conference together on June 14-15, 2008. We were both staying at the Salt Lake Marriott Downtown. After a night together of dinner and drinks with other participants of the conference, Rep. Haley and I returned to the hotel together. We went back to her room where we had sexual intercourse and I spent the remainder of the evening. I left her room at approximately 6:00 am.
- 4. I came forward publicly on this matter only after being contacted by the press and after hearing Rep. Haley claim that she had been One Hundred Percent faithful to her husband in response to the Folk's allegations when I knew her statements were absolutely false. This issue has been difficult for me personally, professionally and has brought unwanted attention to my family and my clients.
- 5. I take this opportunity to publicly apologize to my wife, my family and my clients. I came forward because it is the truth.

FURTHER AFFIANT SAYETH NOT!
