

THE HONORABLE CURTIS M. LOFTIS, JR.
State Treasurer

February 4, 2011

I thank the Governor's Office for their response to my request for material associated with a meeting held by Governor Haley and two members of the Budget and Control Board. Recognizing that three agencies are currently running an estimated \$242 million deficit, it's imperative we find solutions, particularly with respect to those deficits that impact the services being delivered to the state's most vulnerable citizens. I am committed to find solutions with full transparency and accountability to the citizens of our state.

If we may be of any further assistance, please do not hesitate to contact me.
