) **ORDER APPROVING AGREEMENT**

Date of Hearing: July 31, 2012  
Presiding Judge: Judy L. McMahon  
Plaintiff's Attorney: Peggy M. Infinger  
Defendant's Attorney: Pro Se  
Court Reporter: Phyllis H. Norton

The is action for a divorce, a vinculo matrimonii, i in which the Plaintiff also seeks custody of the parties' minor children, child support, alimony, equitable division of the marital estate, and other related relief. The Plaintiff commenced this action by the filing of a Summons and Complaint on August 29, 2011. The Defendant was personally served on September 12, 2011, as will appear by Acceptance of Service on file in this action.

The matter is now before me for a final hearing. Present at the hearing was the Plaintiff with her attorney, Peggy M. Infinger, and corroborating witness. The Defendant was present without counsel. The Court examined the Defendant as to his willingness and ability to represent himself, and is satisfied that the Defendant had adequate opportunity to retain counsel, and is both willing and able to proceed pro se.

At the commencement of the hearing, counsel for the Plaintiff advised the Court that the parties had reached an agreement resolving all issues, save and excepting the grounds for divorce, which has been formalized into a written Property, Custody and Support Settlement Agreement, dated July 30, 2012, a copy of which is attached hereto. The parties desire the Court approve the agreement and adopt it as the Order of this Court.

The Plaintiff then moved to amend her Complaint to seek a divorce, a vinculo matrimonii, on the grounds of one year continuous separation. There being no objection, the Court will grant the Plaintiff's motion and allow her to proceed on her amended Complaint.

Before taking testimony, the Court inquired of the parties as to the possibility of reconciliation, and determined there was none.

### **FINDINGS OF FACT**

Based upon the pleadings, the financial declarations of both parties, and having taken the testimony of both the parties and Plaintiff's corroborating witness, I make the following findings of salient fact pursuant to Family Court Rule 26(a):

1. The Plaintiff (hereinafter "Wife") and the Defendant (hereinafter "Husband") are residents of the County of Charleston, State of South Carolina, and have been so for more than three (3) months prior to the commencement of this action. The parties last resided together as husband and wife in Charleston County, South Carolina.
2. The parties were married on October 3, 1992, in the State of Florida. Two (2) children have been born of the parties' marriage, namely Hayden Bryson, whose date of birth is May 15, 1996; and Lawton Bryson, whose date of birth is July 2, 1998.
3. The parties have entered into a written Property, Custody and Support Settlement Agreement dated July 30, 2012, which is attached hereto and made a part hereof by reference.
4. Both parties are familiar with the terms of the Agreement and have voluntarily entered into the Agreement with a full understanding of its terms and consequences. Neither party has threatened or coerced the other party. Both parties are sufficiently aware of the financial circumstances of the other. The Plaintiff fully reviewed the Agreement with her attorney before entering into it, and is satisfied with her services. The Defendant voluntarily chose not to be represented, but had ample opportunity to seek the advice of counsel. Neither party is under the influence of anything that would impair his/her ability to understand the terms of the Agreement or these proceedings. The parties believe the Agreement is fair and equitable under the circumstances existing, and in the best interest of their minor children. Both parties understand that if the Agreement is approved and made an Order of the Court, that it will be enforceable through the contempt power of the Court; and wish the Court to approve and issue the Agreement as the Order of the Court.
5. The parties separated on or about July 1, 2011, and have not lived together nor cohabited since that date.

**CONCLUSIONS OF LAW**

Based upon the above recited findings of fact, I make the following conclusions of law:

1. This Court has jurisdiction of the subject matter and parties herein.
2. The Wife has proven her grounds for divorce by clear and convincing evidence and is entitled to a divorce, a vinculo matrimonii, on the ground of one year continuous separation without cohabitation.
3. The agreement appears to be fair and reasonable, both substantively and procedurally, and should be approved and adopted as the Order of this Court.

NOW, THEREFORE, it is

**ORDERED** that the Plaintiff be, and she is hereby, granted a divorce, a vinculo matrimonii, from the Husband on the ground of one year continuous separation without cohabitation;

**ORDERED** that the written Property and Support Settlement Agreement executed by the parties and dated July 30, 2012, be, and it is hereby, approved and adopted as the Order of this Court, the same as if repeated verbatim herein; and

**IT IS SO ORDERED!**
