

Children in Foster Care by their County of Origin compared to the number of Foster Homes by the Homes Location - July 2017

Source: CAPSS effective July 1, 2017 / ADR

Data Note: This reports show the children in foster care based on the county where they entered foster care (the county of legal jurisdiction). Sometimes, when there is need of more intensive services for foster children, case management of foster children is transferred to regional Intensive Foster Care Case Management offices (IFCCS). The legal jurisdiction normally remains with the county where the child entered foster care.
