Agents of the S.C. Law Enforcement Division continue work in their investigation of an incident yesterday when a man was shot and injured by an officer with the Allendale Police Department following a pursuit with the Allendale County Sheriff's Office.

SLED conducts law enforcement officer involved shooting investigations at the request of the agencies involved in the incidents. These independent investigations follow SLED's guidance in conducting interviews along with the gathering and analysis of forensic evidence. Interviews are being conducted with the responding officers and others.

Information gathered in the SLED investigation in Allendale will be summarized in a case file report to be submitted to the Fourteenth Circuit Solicitor's Office.

This is an ongoing investigation. No other information about the case will be disclosed by SLED at this time. SLED will defer to the Allendale Police Department for any information about the officer involved in the incident.

The incident in Allendale was the 38th officer involved shooting in South Carolina in 2017 and the first this year involving the Allendale Police Department. In 2016, there were 41 officer involved shootings in South Carolina.
