RE: Application for Financial Assistance

Dear Sir or Madam:

The S.C. Transportation Infrastructure Bank (Bank) is in receipt of your October 2, 2019 letter and submission and subsequent "amended application" package related to proposed financial assistance for the state's interstate system. We appreciate your interest in widening the interstates in South Carolina.

Please note that the current application period closed on September 1, 2019 and that both of your submissions were received post the September 1 deadline. Moreover, your submission does not satisfy the application requirements specified in the Bank's *pro forma* Application or in the SCTIB Act.

The Bank will accept applications in the future as set forth in its Operating Guidelines. If you desire to make an application to the Bank, I invite you to submit a timely application consistent with state law.

Please let me know if I can be of further assistance.

Thank you,
