MEMORANDUM

TO: Members of the Senate
FROM: Harvey S. Peeler, Jr.
DATE: March 16, 2020
SUBJECT: Continuing Resolution

After discussions this afternoon with the Majority Leader, Minority Leader, and Finance Committee Chairman, the decision was made to add a Continuing Resolution to the Finance Committee agenda tomorrow.

A Continuing Resolution would fund state government after July 1 if the Annual Appropriations Bill has not been enacted. The technical process for considering the resolution will be similar to that outlined yesterday for dealing with the DHEC funding request.

Specific questions on the details of the Continuing Resolution or the process to get it completed may be addressed to the Finance Committee staff or the Clerk.
