U of SC Board of Trustees  
Candidate

### Key Strategies for Board Role

- Align student degrees and programs with community needs
- Limit or stop talent flight from SC on graduation
- Incentives for high demand in state needs—Teachers, Healthcare, Nurses, etc
- Focus on ROI model for student recruitment in all areas
- Expand virtual programs for base education plan—students take core classes on line and earn degree in person
- Open communication with all stakeholders on progression of strategic initiatives including legislature
- Collaborative leadership style that focuses on action above words

U of SC simply means more to me, my family, my community, our future!
