

Ti Shooting Simulator

Our Ti Training® presents the latest in immersive, expanded simulation training. Hone your critical thinking skills in shoot/no shoot encounters or bring the family in for fun on the gaming applications. Regardless, shooters will work on safety, marksmanship, and fun!

**Law enforcement and security personnel can take advantage of our full law enforcement scenario package to include low light feature, adjustable light conditions on any scenario, and customizable trainee report. Our law enforcement instructors will vary the scenario outcome based on the officer's response to the scenario threat. All scenarios and skill building applications can be utilized with our ballistic shield, barricades, and IR lights.*
