State Senator,
State House,
1100 Gervais Street,
Columbia, SC 29201,

Ref : Traffic safety in South Carolina

Dear Senator,

As a concerned citizen of South Carolina, it really bothers me that we have high number traffic fatalities & serious injuries in South Carolina each year., which is almost near the top of the nation.

I am attaching the Highway safety reports of 2018 for your reference.

Very respectfully, I would like to know:

1. What actions would your office take in 2020 to combat this persistent problem?
2. How soon would your office be able to actions?
3. And, how would you measure the success of those actions?

Please let me know if I could be of any help !

Regards,
