Office of the President South Carolina Senate

August 22, 2022

MEMORANDUM

Consistent with the previous notice, I am calling the Senate into session beginning Tuesday, September 6, 2022.

However, after consulting with the Majority Leader and the Minority Leader, the session on Tuesday will essentially be perfunctory -- **all Senators do not need to attend**. A small number of Senators will convene the session at 9:00 am, prior to the Medical Affairs Committee meeting.

Subject to the limitations of the sine die resolution, the only actions planned for Tuesday will be to read and to refer a bill that is expected to be received from the House of Representatives and then to receive any committee report on that bill after the conclusion of the full committee meeting.

On **Wednesday, September 7, the Senate will convene at 10:00 am**. All Senators should be prepared to begin debate on the bill reported by the Medical Affairs Committee. Session days are planned for the remainder of that week, possibly including Friday.

This schedule is contingent on the actions of both the House of Representatives and the Senate's Medical Affairs Committee and will be adjusted if necessary.
