**Colleton County Sheriff's Office Makes Additional Arrests in Triple Homicide:** On Tuesday, June 18, 2024, Detectives with the Colleton County Sheriff's Office arrested Justin Dupont, 23, of Walterboro, SC in connection to a triple homicide. Dupont is charged with three counts of Murder. The Colleton County Sheriff's Office responded to a residence, 105 Hayden Street, in Walterboro, SC just after 3:30 a.m. on Saturday, May 18, 2024, after reports of three deceased victims. The victims, Harvel Breland 49, Alisha Gardner 43, and Asiyra Cole 2, were shot to death in a targeted attack. Shortly after the murders, Detectives released an image of a vehicle believed to be involved in the incident. That vehicle was eventually located and was identified as being registered to Jameek Glover, who was previously arrested for Accessory After the Fact to Murder. Detectives have continued to process evidence and as a result, Glover's charges have been upgraded to three counts of Murder.

The Colleton County Sheriff's Office is diligently working to bring the remaining co-defendant involved to justice.

Dupont and Glover are being held at the Colleton County Detention Center. Their bond hearings will be this afternoon at 3 PM at the Colleton County Jail.
